Job Opening

We are accepting applications for the position of **History Teacher / Assistant Baseball Coach**.

Hiring motivated and quality teachers and coaches is something we take seriously. We set high standards for applicants, in part because the Southeast faculty is more like a family where we all take care of each other.

To help you become familiar with our school, I would like to share some details. We are a rural school consisting of grades 9-12 and educating approximately 400 students. The free and reduced rate hovers typically around 65%, but we are not a Title school. We run a traditional 4x4 block schedule, with each period being about 96 minutes long. Additionally, we are now one-to-one with iPads for all students.

The administration expects teachers to be proficient with technology. All of our classrooms are equipped with either Promethean Panels or large displays with an Apple TV. Each teacher is also issued a MacBook Air and an iPad. We prefer that teachers are Apple Teacher certified or working toward being certified.

We have a successful baseball program and are looking to add a motivated assistant coach. The high school assistant baseball supplement is \$2,600.00 with 13 additional days on your 187 days contract.
